The pharmacy residency program at CHRISTUS St. Vincent Regional Medical Center is accredited by ASHP. In keeping with the ASHP Accreditation Standard for PGY1 Pharmacy Residency Programs the following 4 competencies along with their associated goals and objectives, will be taught and evaluated during the program.

They are:

- 1) Direct patient care
- 2) Advancing pharmacy practice through improving patient care
- 3) Leadership and management
- 4) Teaching, education and dissemination of knowledge.

OUR MISSION:

Our healing ministry is to improve the health and well-being of the communities we serve

Purpose Statement: PGY1 pharmacy residency programs build on Doctor of Pharmacy (PharmD) education and outcomes to contribute to the development of clinical pharmacists responsible for medication-related care of patients with a wide range of conditions, eligible for board certification, and eligible for postgraduate year two (PGY2) pharmacy residency training.
